

VIP Vegas 2 Station

Ideal for a modest sized event, this VIP station offers two private restrooms. Each restroom features a decorative sink, luxury lighting, and an elegant two tone interior, plus many extras.

No utility hookup? No problem. This unit goes anywhere with an optional on-board fresh water tank and VIP To Go electricity generator.

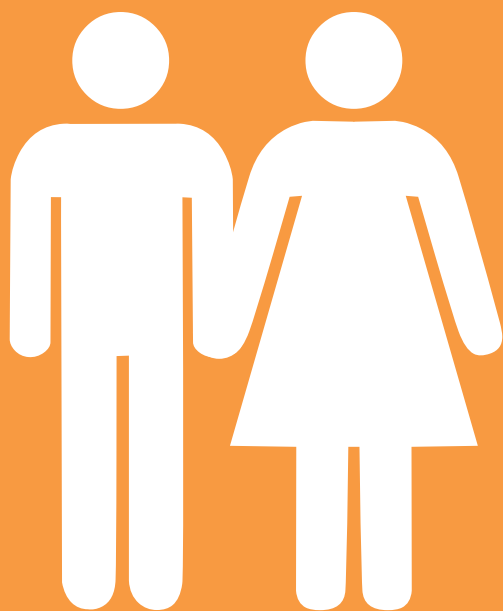

Host in style. This unit features parquet hardwood flooring, marble sinks, large mirrors, and a warm two-tone finish.

Now, this is classy!
