

VIP 12 Station Bunk Suite

Bunk suites are perfect for relief teams at disaster sites, visitors at recreational parks, construction sites, and for camping sites. Our portable bunkhouse buildings require no foundation or construction, and can withstand the elements. They were built for maximum privacy, safety, and security. Individual rooms make it easy to sanitize in between occupants. Whatever your need is, we can accommodate your crowd with safety, security, and comfort, no matter where you are.

The VIP units stand up to constant use with aplomb. They are elegant, clean, and inviting.

Here's what the 12 Station Bunk Suite Trailer offers:

- 12 private bunk suites (6 on each side)
12 separate entrances
- A/C and heat
- LED interior and exterior lighting
- Closet in each bunk suite
- Comfortable 10" mattress
- Window door with screen
- 12 Samsung TV's (24")
- Electronic locks
- And more...
